

January 2, 2025

Kathy Hutton
DigKey Corporation
701 Brooks Ave South
Thief River Falls, Minnesota 56701

In response to your request, this letter confirms that 3M Company, acting through its Electronic Materials Solutions Division (EMSD), has authorized DigiKey to sell, globally, 3M products from EMSD including but not limited too electronic connectors, cables/cable assemblies, materials including EMI, thermals, adhesives, shielding products and heat shrink.

We appreciate the support DigiKey continues to provide for 3M products.

Sincerely,

Dinah Cowles – Sales Manager
Electronics Materials Solutions Division
