# Fabricating Solutions, Forming Results®

## CAPACITY

**Global Manufacturing Capacity**  
*Interconnected and dedicated  
 manufacturing sites*

## CAPABILITIES

**End-to-End Processing**  
*From design-for-manufacturability  
 to full-scale production*

## CUSTOMER SERVICE

**Complete Customized Solutions**  
*Your manufacturing partner  
 streamlining your supply chain*

**Advanced Metalworking**

## Total Metal Product Solutions

Sheet Metal Fabrication  
 Powder Coating  
 Welding  
 5-Axis Machining  
 Extrusions  
 Vacuum & Dip Brazing

## Single Source Manufacturing

**Laser Cutting & Punching**  
0.012" to 1" thick

**Forming**

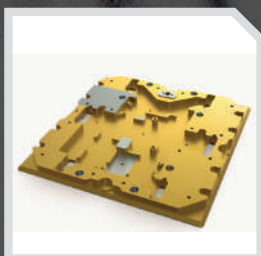

**Powder Coating**  
with 5-stage prewash

**Welding**  
Robotic & Manual MIG/TIG

**Hardware Insertion**

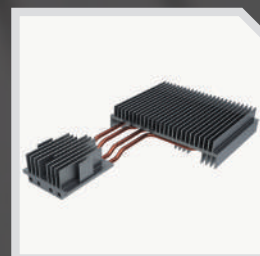

**5-Axis  
CNC Machining**

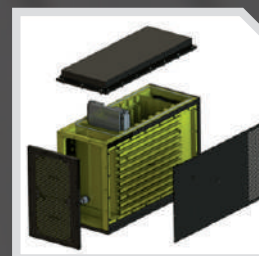

**Custom Aluminum  
Extrusions**

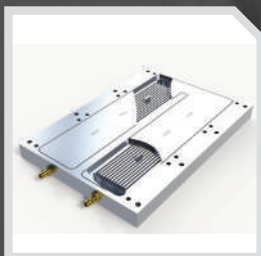

**Electro-Mechanical  
Assembly**

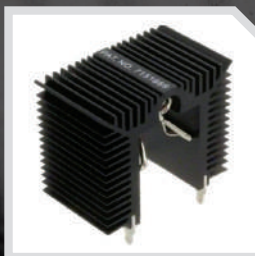

**Heat Pipe  
Assemblies**

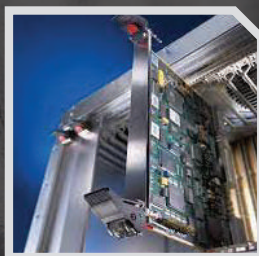

**Vacuum & Dip  
Brazing Assemblies**

**Liquid Cold  
Plates**

**Board Level  
Heat Sinks**

**Electronics  
Packaging**

**Custom  
Enclosures**

### DIFFERENTIATORS:

- Powder Coating
- Welding - Robotic & Manual | Mig/Tig
- 5-Axis Machining - 30 CNC machining centers
- Extrusions - Custom and stock
- Custom Enclosures
- Heat Frame Products
- LED and Air-Cooled Heat Sinks
- Rugged & Defense Products
- Data Cooling Centers - Thermal Solutions
