

Edge Mount USB-C Plug

USB4155

- Ⓞ Innovative low profile edge-mount for increased design flexibility over straddle-mount
- Ⓞ Metal shell step engages with case designs for extra strength
- Ⓞ Full speed data and power transfer with USB 3.2 gen 2

Vital Stats	
Mating Cycles	Shell Material
10,000	Stainless Steel
Current Rating	USB Specification
5 Amp	3.2 Gen 2
Profile Height	No. of Contacts
2.90mm	24

- 1 USB C interface
- 2 High grade steel shell
- 3 2 shell stakes
- 4 24 same-side PCB contacts
- 5 Tiny 2.90mm profile
- 6 Metal shell step for added retention

Applications

USB Flash Drives
Wifi Dongles
Cable Assemblies
Docking Stations
Consumer Electronics
